

## **Our Million Dots Display**

1. Our class is making a display of one million dots.  
So far, we have \_\_\_\_\_ sheets and \_\_\_\_\_ dots  
in our display.
2. How many groups of 1000 dots are in the display?  
How do you know?
3. How many groups of 100 dots are in the display?  
How do you know?
4. How many groups of 10 dots are in the display?  
How do you know?
5. How many groups of 5000 dots are in the display?  
How do you know?
